

## HOMEMADE PLAYDOUGH

MOMMYCADDLE

2 cups flour  
1 cup salt  
4 teaspoons cream of tartar  
2 cups water  
2 tablespoons vegetable (cooking) oil

Combine ingredients in a medium saucepan over medium-low heat. Heat and stir constantly until a soft dough forms and dough begins to pull away from edges of pan. Remove from heat and separate into four medium-sized balls. Knead gently to smooth dough. Make a large “thumb print” into the center of each ball and squeeze in several drops of food coloring. Knead carefully and thoroughly to combine color throughout dough. If needed add a few more drops of coloring for a deeper color. Store in an air-tight container. Keeps for a very, very long time. (Recipe can be halved)
